Parent Feedback on Curriculum Analysis and Action Taken Report
(Academic Session 2017-18)**

Preamble: This institute was established with the mission to provide guidance, identifying talent, and enhancing potential, encouraging students to follow their dreams and helping them become successful professionals. Parents have entrusted the future of their children into our hands and thus they play a very important role in the development and enhancement of the quality of this learning experience. Feedback from parents allows the institute to evaluate its service provision and thus cater to providing excellent service towards the students.

The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. Parent's involvement requires that they play an active role in participating for the holistic development of their children. Likewise every year at the end of the semester in the month of April, feedback forms are distributed to the parents.

Importance: The parent feedback is very important as parental involvement not only helps parents contribute positively to their pupils learning experience but also can be an indicator of the quality of curriculum imparted by the college. By sharing their opinions, parents provide useful insights that may otherwise go unnoticed. Parent feedback also shed light on any expectations a parent might have for their pupils learning experience.

Process: The parents are supplied with a pre-printed MCQ style questionnaire to record their choices. The recorded choices are then processed to obtain the feedback Analysis Report. Every year at the end of the academic session in the month of April, feedback forms are distributed to the parents by the feedback committee.

Submission: The Feedback Analysis Report is prepared by the feedback committee, discussed in staff council meeting and forwarded to IQAC for suggestions if any. Finally it is submitted to the College Development Committee (CDC) for its approval.
