Feedback from parents allows the institute to evaluate its service provision and thus cater to providing excellent service towards the students.

The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. Parent's involvement requires that they play an active role in participating for the holistic development of their children. Likewise, every year at the end of the semester in the month of April, feedback forms are distributed to the parents.

Importance: -

The parent feedback is very important as parental involvement not only helps parents contribute positively to their pupils learning experience but also can be an indicator of the quality of curriculum imparted by the college. By sharing their opinions, parents provide useful insights that may otherwise go unnoticed. Parent feedback also shed light on any expectations a parent might have for their pupils learning experience.

Process: -

- Every year at the end of the academic session in the month of April, feedback forms are distributed to the parents by the feedback committee.
- MCQ style questionnaire is prepared to record their choices.
- The recorded choices are then processed to obtain the Feedback Analysis Report.
- The Feedback Analysis Report is prepared by the feedback committee, discussed in the meeting with the Head of the Institution and forwarded to IQAC for suggestions if any.
- On the basis of the resolutions and the decisions taken in the meeting, Action Taken a Report is prepared.
