ACTION TAKEN REPORT

1. All the convenors and members of Admission Committee along with all the teaching and non-teaching staff members are trying their level best to increase the enrolments even in this crisis. On all working days committee work for six hours to grab the students for admission in our college.
2. As far as online teaching learning process is concerned, the Home-Science students are comparatively active in attending the online classes. Arts students are mainly from poor economic background and lives in remote villages. It hampers their learning process terribly. Teachers are ready to teach but the students could not join due to poor connectivity.
Even the teachers have tried to meet them on zoom meet at their desired timings but of no use. very few students join even on zoo app.
3. As the admission process is going on and almost all the teachers have to contribute to it. Teachers are busy with teaching, taking assignments and giving internal assessments, NAAC work has almost stopped. It becomes very difficult for the criteria members to sit together late after working hours for doing criteria work, due to pandemic protocols.
4. Dr. Deshmukh has agreed to pay the technical hand

- tired by the IQAC as per the work done.
5. Retired teachers and the CHB teachers who left the institute were removed from the group made for official instructions and information.
 6. The date for placement of professor is fixed on 01st of October 2020.
 7. The teachers are preparing their duplicate servicebook to avoid further issues.
