### **5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support service**

The institute has a registered alumni association that contributes significantly to the overall development and reputation of the college.

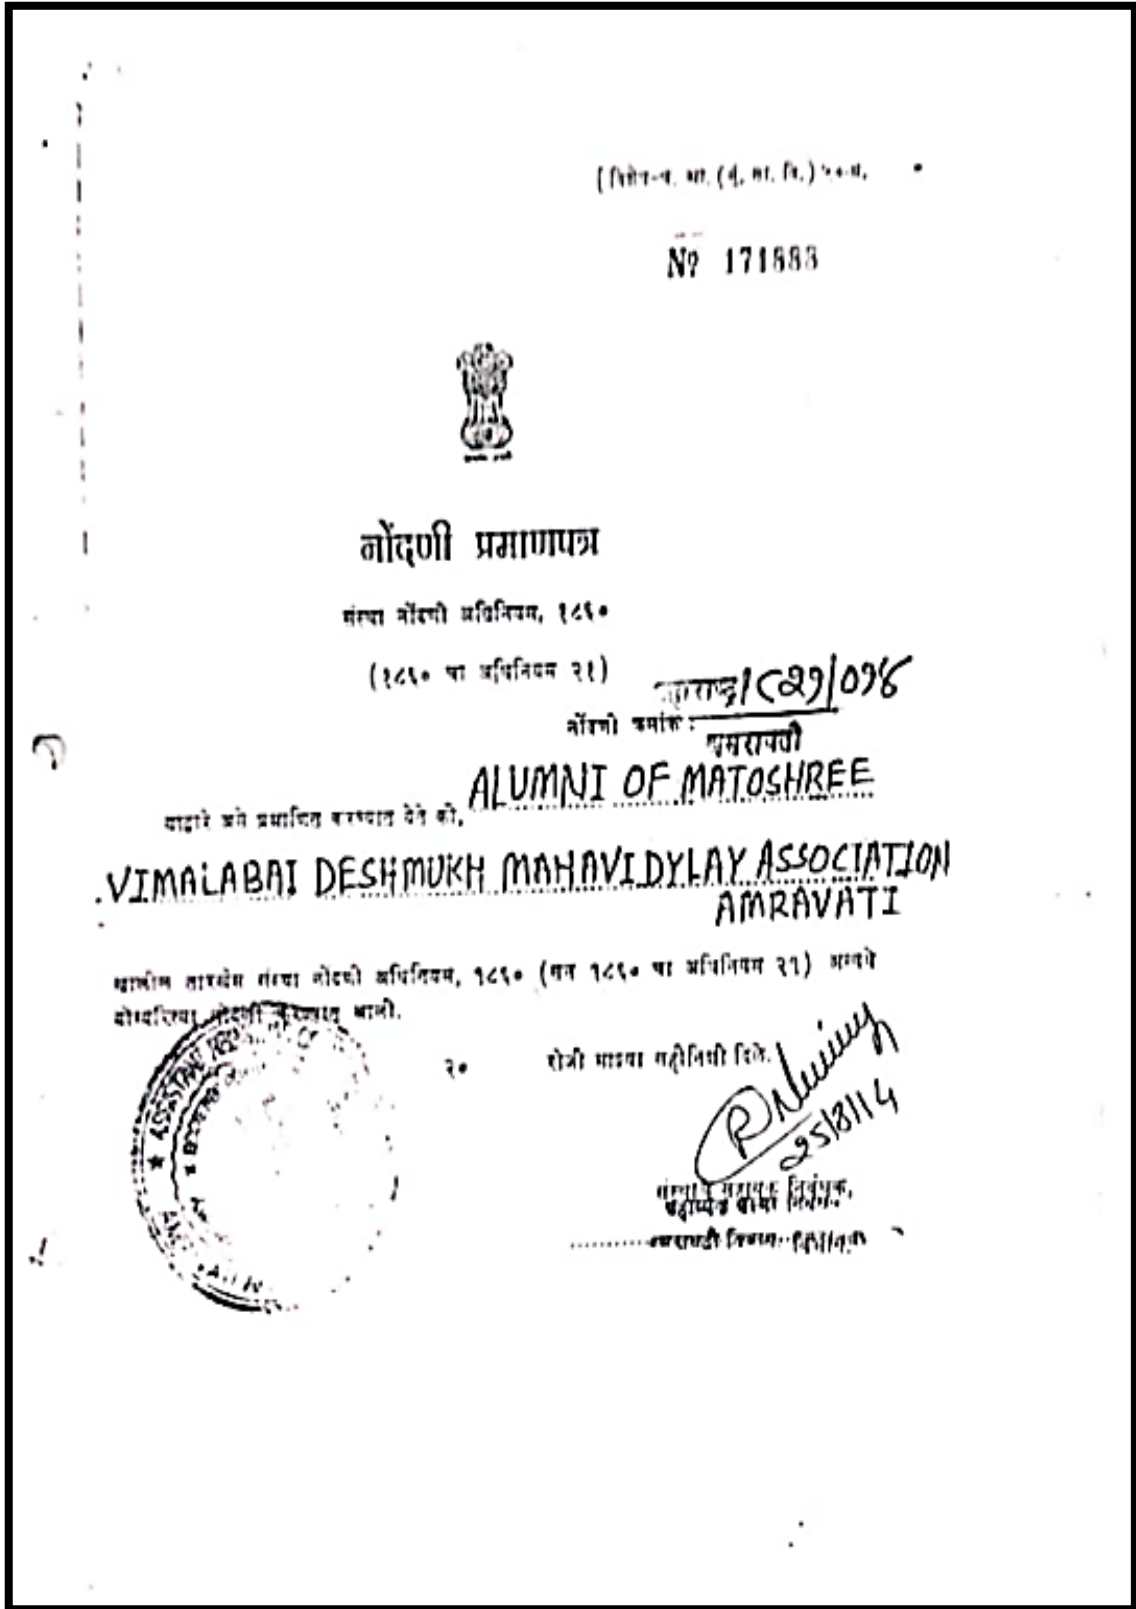

Our college has registered alumni association with registration no (XXI of 1860, Dt 25.08.2014) and is actively functioning in the college. The alumni association has been playing a key role in the college development by various ways. Executive and local alumni take initiative for organising meeting and deciding the activities for the year. Our alumni are placed in industries, education, business, social work and professional fields. Association has formed 'WhatsApp' group for regular interaction with each other and college staff. Which plays a key role in building this group for college development? One of our alumni elected as a corporator in Amravati Municipal Corporation who has regularly help us by providing cleaning and plantation services, i.e., tree guards, sitting benches, sanitation, garbage collection, sapling, covid vaccination etc. We are feeling proud that many of our alumni are working as experts, tutors, trainers, lectures in various institutions, Krushi Vidnyan Kendra's and in university departments also. Meetings of the executive body are regularly conducted. Recent office bearers of the Alumni association comprise of fifteen members and Shri Vijay Jamodkar acts as President of the Association.

Through the financial contribution of Alumni association is average; they help us by providing academic resources for organising co-curricular events in college. They also contribute by sharing knowledge, skills, experience through guest lecturers organised by the related departments of the college. Many times, guide the students for the sports and cultural events during youth festival.

They donate books for library and funds to honour the best students of the year for motivation. During alumni meets members, teachers and principal deliver speech keeping the occasion in mind. In the current year 2021-2022 on the occasion of teacher's day Principal, all teachers and merit students were felicitated by our alumni association to show respect

Occasionally they contribute their valuable time for participating or attending parents' teachers meet, flag hosting during national days. Farewell functions, exhibition, NSS camp etc. organised by college. The regular feedback is taken from alumni which helps for the proper administration of the college. The purpose of the association is to foster a spirit of loyalty and promotes the general welfare of the institution. Thus, alumni association supports to strengthen the ties between them with the college.
