REPORT

A day long webinar on Intellectual Property Rights (IPR) organized by Internal Quality Assurance Cell (IQAC) and the Department of English of Matoshree Vimalabai Deshmukh Mahavidyalaya on Friday, 19 March 2021 for the faculty members of the institution.

The Webinar commenced with the oral tributes to the founder President of Shri Shivaji Education Society, Amravati Dr. Panjabrao alias Bhausaheb Deshmukh and his better half late Matoshree Vimalabai Deshmukh. Hon.Principal Dr. Sanyogita S. Deshmukh presided over the event. Dr. Vaishali P. Gudadhe, Professor & Head Library & Information Science SGBAU, Amravati was the Guest Speaker. Dr. Savita D. Thakare, Co-ordinator IQAC, Head Department of English of the institute and the convenor of the Webinar hosted the webinar on Zoom Meeting App.

In the first session on Virtual Webinar Dr. Vaishali P.Gudadhe focussed on some of the relevant types of Intellectual Property Rights. With the help of power point presentation she elaborated Copyrights, Trademarks, Patent, Trade Secrets, Creative commons, Open licencing and Plagiarism. She also stressed on improving the writing skills with regard to research articles and how to access Open Educational Resources (OER).

Question - Answers, Queries and doubts were cleared in the second session. Participants interacted with the Guest Speaker. In her Presidential address Dr. S.S. Deshmukh emphasized on the importance of knowledge regarding IPR in present scenario. Dr. Savita D. Thakare compared the programme and Dr. Manda M. Nandurkar proposed vote of thanks. The Webinar proved extremely effective and useful for those who aspires for quality research.

Departmental Activity: "Teachers and non-teaching staff training workshop on  
"Role of e- governance in Higher Education" on 19/ 01/ 2022

.....

Electronic Governance (e-Governance) is the use of Information and. Communication Technologies (ICT) for the planning, implementation, and monitoring of government programs, projects, and activities. E-Governance is expected to help deliver cost-effective and easy-to-access citizen.

E-Governance helps in improving transparency, providing speedy information, dissemination, improving administrative efficiency and public services in all the aspects of education.

- **Role of e- governance in higher education :**

Rapid growth in the field of education has made e - governance in academic sector a very complex task. The 21<sup>st</sup> century has witnessed tremendous advancements in technology which has led to far-reaching developments in the administrative system. Cost-effective technology combined with the flexibility in learning and administrative activities is essential to enhance efficiency. Computers can be used extensively for educational administration. There are some of the areas where computers can be used for effective educational administration.

- 1) General Administration
- 2) Pay Roll and Financial
- 3) Accounting
- 4) Administration of Student Data
- 5) Inventory Management
- 6) Personnel Records Maintenance
- 7) Library System

Information and Communication Technology (ICT) plays a vital role in supporting powerful, efficient management and administration in education sector. It is specified that technology can be used right from student administration to various resource administration in an education institution.

There are various administrative challenges for Indian education system of the 21<sup>st</sup> century as given below:

- 1) Global and local challenges.
- 2) Universal and individual challenges.
- 3) Competition and equity challenges.
- 4) Extraordinary expansion of knowledge

5) Moreover many studies revealed the need for ICT integration into administrative activities of higher education institutions.

The various ways of introducing technology in education institution administration are as follows:

- 1) Sending e-mail notices and agendas to staff, rather than printing and distributing them.
- 2) Submission of lesson plans through e-mail
- 3) Foster technology growth by asking parents to write e-mail addresses on medical forms.
- 4) Insist that all teachers create a class Web page
- 5) Attend technology conferences, what other teachers are doing to integrate technology to encourage the use of technology in classrooms.
- 6) Admissions through web-enabled services.
- 7) All day-to-day activities of the institution (General Administration)
- 8) Staff administration
- 9) Single Window System for students.

- **E-GOVERNANCE LEADS TO MULTIPLE ADVANTAGES TO HIGHER EDUCATION:**

- 1) It empowers students and parents to gather information regarding any course, college, department of universities, government policies and get involved in the process of decision making.
- 2) E-Governance strengthens the very fabric of democracy by ensuring greater student, staff and parent's participation at all levels of governance in universities and institutions.
- 3) E-Governance leads to automation of services, ensuring that information regarding every work of public welfare is easily available to all stakeholders apart from geographic and language barriers.
- 4) This revolutionizes the way governments and College/universities functioning, ensuring much more transparency in their functioning, and thereby eliminating corruption.
- 5) As the information regarding every activity of government is easily available, it would make every university department responsible as they know that every action of theirs is closely monitoring and audited.
- 6) Proper implementation of e-Governance practices make it possible for students and parents to get their work done online thereby sparing themselves of unnecessary hassles of traveling to the respective offices.
- 7) Successful implementation of e-Governance practices offer better delivery of services to students, improved interactions with business and industry, students empowerment, better management, greater convenience, revenue growth, cost reductions etc.

- Objectives of "Teachers and non-teaching staff training workshop on "Role of e- governance in Higher Education":
  - 1) To save the time and money in the form of expenditure for hiring instructor, purchasing equipment or other resources.
  - 2) To improve productivity, enhance focus and provide better academic results.
  - 3) To provide speedy information in institute.
  - 4) To improve administrative efficiency and public services in all the aspects of education.
  - 5) To improve service delivery in the form of better access to information and quality service to college stake holders.

In Matoshree Vimalabai Deshmukh Mahaidyalaya Amravati, Under Internal Quality Assurance Cell (IQAC) , Department of Physics organized one day "Teachers and non-teaching staff training workshop" on " Role of e- governance in Higher Education on 19/ 01/ 2022. In this work shop -
