7.3.1. Portray the performance of the Institution in one area distinctive to its priority and thrust.

Response: -

Our institute is a premier educational institution providing quality education since 1956. The institute has been always taking efforts to achieve newer heights to fulfil the vision.

“Vision of our institute is ‘Education to poor and deprived student for acquisition of knowledge towards excellence in every walk of life’”.

The institution focuses on the overall development and empowerment of the students moral, social, personal, intellectual, and professional abilities. The institute is committed to usher in socio economic transformation by providing inclusive, innovative quality education of global standards to fully meet the expectations of stakeholders initiated by the founders.

The institution always focuses on quality teaching learning experiences.

The primary focus of the institute is excellence in core mission i.e. activities of teaching, conscious efforts to promote values; extension activities and inclusiveness of all diversities. Students of N.S.S and N.C.C are active in order to imbibe strong social values in our students. The institute take conscious effort to create awareness about energy conservation and use of renewable energy sources.

Every year Nutrition week is celebrated in college. Various activities are arranged that ultimately serves the purpose of providing nutrition education and counselling to students taking care of their physical and mental health.

Institute take special efforts to strengthen the research aptitude among the faculty. College has been taking right initiatives to promote the research activities through 06 Research Centres Research centre in the subject English, Marathi, Hindi, Physics, Zoology and Food and Nutrition are sanctioned by University.

Total number of Female students and teaching staff are much higher as compared to males.

During the pandemic of covid-19, our institute set an example by undertaking various activities for students and for the society to fight the deadly disease.

All faculty members take special efforts for the student’ those who are academically weak. College admits them without any merit list and honestly workout on their improvement. Add on courses are conducted for students.

Institution offers six semester degree course in B. A., B.Sc. (H. Sc.), B.Sc. (Science) and B. Com.

For B. Sc. (H. Sc.) course mainly students from rural areas take admission. The students of have achieved new heights of success. Every year 2-3 students secure a place in the University merit list. The overall percentage of pass students is 90 to 100. The institute arranges various

CRITERION VII: INSTITUTIONAL VALUES AND BEST PRACTICES

skill development workshops for students. Programme of exhibition and sale of handmade articles of students is arranged, to provide platform to students to gain entrepreneurial experience and also to earn by selling their own articles. All these definitely takes them towards the path of becoming ‘*Aatmanirbhar*’.

The institute intends to mould the students to become socially responsible citizens by providing with all the possible opportunities through wide range of extension activities conducted by NSS and NCC. The sports department is also active in providing all opportunities to students.

In the materialistic and technology driven society inculcating values become a challenging job. **The distinctive features** of our institute is the participation of students and staff in various outreach activities. We work together for the betterment of community. Thus we sensitise the students to develop social values, widespread their responsibilities and knowledge in social issues and problems by making them involve with the community people.

During the last five years we have conducted **several such outreach activities**. Few of them are-

1) Participation in “*Matoshree Vimalabai Deshmukh Smurti Annapurna Yojana*”-

The staff members contribute for “Annapurna Yojana” (Here food is distributed to the relatives of patients who are admitted in Dr. Panjabrao Deshmukh Medical College in general ward).

2) Visit to Bihali (Tribal Village)-

The college team visited Anganwadi centre no. 6 at Bihali, Tq. Chikhaldara, Dist. Amravati on 29 April 2019. Bihali is a remote place around 70 kilometers from Amravati, in Melghat region, having tribal population. We conducted various activities for the children there, that helped to create awareness among students and the anganwadi sevika.

3) Different activities conducted during Covid 19-

During the pandemic of Covid-19 students and staff of our institution successfully carried out their duty as responsible citizens. During lockdown period our institute decided to make this time as productive one by involving some creative activities. We decided to spread awareness among the students and community, to help them in every possible way and educate people to fight against it by conducting different type of activities.

The next activity our institution undertook was about creating awareness for vaccination and arranging a massive vaccination camp in collaboration with Amravati Municipal Corporation on 28th Oct 2021.

4) Visit to slum area – Pardhi Beda

As a part of extension activity a visit to nearby slum area – Pardhi Beda was arranged by the staff members on 23rd August 2021, where Pardhi ladies and girls were educated about

CRITERION VII: INSTITUTIONAL VALUES AND BEST PRACTICES

personal health, hygiene and Covid appropriate behaviour. Cloths, food and some daily essentials were distributed to them.

5) Empathetic Visit to Suicide affected farmers household at Lalkhed and Matoshree Oldage Home Amravati -

The college team paid empathetic visit to suicide affected farmer's family at Gram –Lalkhed-near Amravati (Comprising mostly of tribal population) on 7th April 2022. Financial help from staff members was given to the suicide affected farmer's widow, Shrimati Vandana Chavhan. Also, all the members conducted several activities for school children at local Zilla Parishad school and for rural men and women and children at local Anganwadi centre.

The college team also visited “*Matoshree Vrudhhashram*”, to interact with the members & to spend some time with these senior citizens. Donation was given to the *Vrudhhashram*.

A look at such type of activities clearly indicate our institute is conscious over fulfilling our philanthropic responsibilities. We have taken initiative for the well-being of unprivileged or needy people who badly require our support to sustain themselves on this planet.

Encouraging the students and academic and administrative staff to provide social service to their local community develops a sense of civil citizenship and very proudly we can say that our institution is working in the direction of fulfilling our social responsibility.

मातोश्री विमलाबाई देशमुख स्मृती अन्नपूर्णा-योजना

प्रस्तावना :- डॉ. पंजाबराव उपाख्य भाऊसाहेब देशमुख, संत गाडगे बाबां यांना गोरगरीबांसाठी जो सेवाभाव अपेक्षित होता त्या सेवाभावाचा वसा श्री शिवाजी शिक्षण संस्थेनी हाती घेतला. श्री शिवाजी शिक्षण संस्था, अमरावती द्वारा संचालित डॉ. पंजाबराव देशमुख स्मृती वैद्यकीय महाविद्यालय व रूग्णालय हे अमरावती शहरात कार्यरत आहे. या द्वारे ग्रामीण व शहरी भागातील रूग्णावर उपचार केल्या जातात. या रूग्णालयात जे रूग्ण भरती होतात, ते बहुतांश आर्थिक दृष्ट्या मागासलेले व काही रूग्ण दारिद्र्यरेषेखालील कुटुंबातील असतात. रूग्णांना उपचाराकरीता काही कालावधी करीता रूग्णालयातच रहावे लागते. अशा वेळेस त्यांच्या जेवणाचा प्रश्न निर्माण होतो. शासनाकडून अनुदान मिळत नसल्याने रूग्णांना बहुतेकदा स्वतःच्या भोजनाची व्यवस्था करणे शक्य होत नाही. श्री शिवाजी शिक्षण संस्था अमरावती मा. अध्यक्ष व कार्यकारी परीषदेने या समस्येवर विचार मंथन करून “मातोश्री विमलाबाई देशमुख स्मृती अन्नपूर्णा” या प्रकल्पाची अंमलबजावणी करण्याचे निश्चित केले.

प्रकल्पाचे नाव :- “मातोश्री विमलाबाई देशमुख स्मृती अन्नपूर्णा योजना”

प्रकल्पाचे उद्दिष्टे :-

- श्री शिवाजी शिक्षण संस्थेद्वारा संचालित डॉ. पंजाबराव देशमुख वैद्यकीय महाविद्यालय व रूग्णालय अमरावती येथील रूग्णांना सत्वयुक्त आहार उपलब्ध करून देणे.
- वैराग्य मुर्ती संत गाडगेबाबाचा उपदेश “भूकेल्यांना अन्न” या मानवता वादी दृष्टीकोनाची अंमल बजावणी करणे.
- गरीब रूग्णांचा आर्थिक भार कमी करणे.
- श्री शिवाजी शिक्षण संस्था अमरावती येथील सर्व महाविद्यालय, शाळा आणि समाजातील उपेक्षित घटक यातील परस्पर संबंधातील दूवा साधणे.
- विद्यार्थी - विद्यार्थिनी व शिक्षक, संस्था कर्मचारी यातील संबंध सोदायपूर्ण करणे
- ‘अन्नदान हे श्रेष्ठदान’ म्हणजेच संस्कृती संवर्धन करून विद्यार्थी - विद्यार्थिनी, शिक्षक मध्ये सामाजिक जाणिव निर्माण करणे
- शिक्षण महर्षी डॉ. पंजाबराव देशमुख उपाख्य भाऊसाहेब यांच्या स्वप्नाची परिपूर्ती करणे.

- Name of the activity** : Teaching English Language at primary level (Anganwadi)
- Name of the department** : Department of English
- Name of the teacher** : Dr. Mrs. Savita D Thakare
Assistant Professor & Head Dept. of English
- Target Group** : i) Student of Anganwadi
ii) Anganwadi Teacher
- Number of participants** : i) 40-45 student of Anganwadi (Age group 03-06 years)
ii) Anganwadi teacher -01
- Goal / objective of the visit** : i) To observe the method of teaching English to the
Students of Anganwadi
ii) To teach them innovative method of teaching language
iii) To create interest in the English Language
iv) To facilitate the teacher to use new method in place of
the traditional one.
v) To help teacher to make the foundation of English
language good at this level only.

Introduction

The main problem India new faces is that all the pedagogical innovations are fit to improve the quality of urban education while the rural learners and their education remain largely neglected. With 65% of the population residing in rural India, education there truly deserves much more attention, especially when it is plagued with so many problems – dearth of teachers, teacher absenteeism and poor quality of teacher.

One of the biggest concerns is that of teaching of English Language at primary level. Unless the students are taught properly at this level, they will not perform well at higher level ultimately. To make the present generation learners future ready, it should be the biggest issue of educators across India. As there is a global competition for securing jobs and what not, it is very important to have a knowledge of English.

To come out from the traditional way of teaching English from the Alphabet Chart has become a need of the time. And to train the teachers, continuous professional development is motivator for teacher and enough attention is needed in this regard.

Methodology Adopted

- Interactive method
- Group Discussion
- Question – Answer method
- Use of Visual aids

Execution of the activity

Almost the students enrolled in the Anganwadi were present on 29th March 2019. The little kids ageing from three to five years sat together in a room full of attractive aids like chart, toys, cards and various other things.

They were taught to reply in English few general knowledge questions like their name, Village, State etc.

I asked them for the letters in the alphabet and for what they stand for the students replied in the way they were taught. I asked them –ie. ‘A’ stand for what ? They all replied in the single voice – “ Apple” and so on.

I told their teacher to ask them what else they know about ‘A’ stand for ? May be they know ‘Aeroplane’ or ‘Armchair’ etc. Likewise they must be taught, taking any letter from the alphabet and ask what that particular letter stand for ?

In this way I taught them the innovative way of teaching and learning English Language.

Outcome of the activity

A Childs imagination is extraordinary. If we focus on their creations, they will definitely marvel. Adults / Teachers should take the time to analyse what kids say. New and Innovative teaching methods, if applied can bring out unbelievable wonders. And also will help them grow well and in future make them stand perfect in this competitive world.

Any other activity

All the students were given refreshment at the end and ready made clothes prepared by our students were donated to the Anganwadi teacher Mrs. Mangala Vidhale.

On the way to Amravati, we came across one beda of banjara people (Tribals) residing under the tents. We distributed sweets and refreshment along with the clothes to them also.

The radiant faces of the tribal children and their parents made us feel contented in life.

CRITERION VII: INSTITUTIONAL VALUES AND BEST PRACTICES

b) To conduct the activity of distribution of clothes and food under "the wall of humanity" we visited the slum area near Navasari bus stop, in Amravati. People living here falls under below poverty line, with very meager income to feed their families. We distributed clothes and food items to the people, mainly children.

Outcome: 1) The need to conduct more no. of such extension activities, by us people was emphasized.

2) Lower nutritional status, illiteracy, poverty are the factors which hampers the growth and development of individuals and finally the progress of country. So the services rendered by our team, in such areas could help them to come out of it.

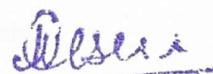

3) Not a single child of the anganwadi was found in severe malnourished category. One needs to congratulate the anganwadi sevika Smt. Vidhale, for her hard work, dedication and the efforts she is taking for the anganwadi children and pregnant women.

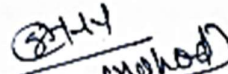

4) All the residents of the slum area were very happy and willingly accepted the clothes and food distributed.

5) The sense of satisfaction that our team derived after serving the needy and vulnerable gp. of society is really noteworthy.

Exclusive Extension Activity

Bihali (Chikhaldara)- Anganwadi No. 6

29.03.19

1) Name of the activity-

Distribution of cotton dresses to the childrens.
To teach the students various paper articles by origami.

2) Name of the Department-

Textile and clothing department.

3) Name of the Teacher- Mrs. Archana P. Harne

4) Target Group- Age Group of the Anganwadi students- 3-5 Yrs.

5) No. of participants- 50 Anganwadi students.

6) Objective-

Summer cotton dresses distribution to the students.
Improve the motor coordination as well as muscle development of the fingers with the help of origami art.

7) Methodology Adopted-

The students of the textile and clothing department of our college construct cotton costumes such as frocks, shirts, pajamas during the regular practices and examination. The size of these costumes are proper for 3-5 yrs age group. These dresses were stored and distributed to Bihali Anganwadi No.6 for the students. These cotton dresses are hygienic in the summer.

Origami is a Japanese art , we shall construct various paper articles by folding the papers. Without paper any other material such as, scissors, gums, are not required for this craft. Hence childrens are safe and also they get much interest in this paper craft. We collect old news papers from the staff members and donate them to the Bihali Anganwadi for teaching the students various paper craft articles.

8) Exclusion of the Activity-

Cotton costumes which are constructed by our textile and clothing department students such as frocks, shirts and pajamas are proper in size for the Anganwadi students. In summer students have also necessity of cotton dresses. In

CRITERION VII: INSTITUTIONAL VALUES AND BEST PRACTICES

our extension activity we donate these dresses to **Mrs. Mangala Vidhale**, Coordinator Bihali Anganwadi No. 6. These dresses are very hygienic as well as very useful for summer purpose.

For origami paper craft demonstration first we cut newspaper in proper size. Also circulate paper cutting among children. Then we taught them all the folds of the paper one by one for the construction of article. Childrens also fold the paper with us. They memorized these folds and concentrate our work, at the same time they put the folds with fingers. All the children's are very happy in this workshop. They prepared the paper articles very enthusiastically, which helps there motor development.

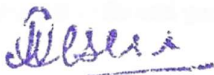

9) Outcome-

Cotton fabric is very hygienic for summer purpose. This fabric feel cool to the students. The cotton costumes are very proper sizes to the anganwadi students hence they feel very happy by getting these costumes.

Madam monitories main goal was to teach the pupils by play way method in a happy surrounding. Don't do any type of compulsion to the students. The students of age group 3-6 are always likes to play with paper we teach the students various paper articles such as aero planes, ship, peacock, balls, fans, caps, flowers etc. children's were enthusiastically participated in this activity. During this orgami workshop it has been observed that such type of activity helps them to develop motor co-ordination between eyes and fingers with brain and mind. By this paper craft we also create a skill in the children.

At this time to spread over the awareness among the students and to educate them to fight against Covid -19, regular online interaction with students was established through whatsapp groups. Messages, pictures were posted on student whatsapp groups to sensitise and to prepare them to face the pandemic situation. The interactions were made on following topics ,such as - Rules of lockdown, exam preparation from home, stitching of masks at home, rules of quarantine, exercise, coping with the stress, sleep problem during and after lockdown and procedure for making of Aayush Kadha.

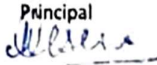

Outcome - The students and their families were sensitized about the spread of coronavirus. All the communications established helped to reduce their anxiety and fear about the disease.
Positive attitude to fight the pandemic was inculcated.

Problems encountered - As the activity was conducted online many students did not respond to it due to internet problems, hence it became difficult to change their mindset to fight against the evil of covid-19.

Activity Conducted --

Distribution of clothes and other essentials to children and women of slum area Dt. 07/08/ 21

Activity conducted -

A visit to the slum area of Navsari was arranged on on 7th August 2021 by Home Science Department and IQAC ,MVDM Amravati. The interaction programme with the slum area ladies and children was arranged in the hall of Jyeshtha Nagrik mandal. All staff members of our institution interacted with them ,to know more about them. We goigad them about their personal hygiene, Covid appropriate behavior i.e.Mainteneng social distancing, using mask & getting vaccinted and precautions to be taken against Covid-19.

We also told them the importance of wearing the mask and convinced them to wear it more often. The ladies then narrated us their problems and the hardships they face in their day to day life. It was a very lively experience . Then we distributed them clothes, biscuits ,some food items ,toothbrush, paste and breakfast to eat. Near about 40 ladies and children from the slum area were present there.

Such programs clearly shows the positive attitude of we all staff members about fulfilling the social responsibility of helping the needy ones .The problems faced by the the women and children of slum areas were clearly noted .& need to visit and help the slum area people again and again was also noted.

The program was conducted under the guidance of our Officiating Principal, Dr C.N.Vidhale and All the staff members also helped to complete the program successfully.

Extension Activity Report 2021-22

Name of the Activity : Helping Hands For Slum Women.

Activity Conducted : Extension activity was organised on 7th August 2021 for slum women in the area of village Navsari . In accordance with the objective of Home science Extension and Communication program i.e to extend the knowledge and skills, to aware the women of different community about their health, hygiene , social and economic problems and its solutions e.t.c In this program we interact with the slum women and girls and made them aware about their personal hygiene, cleanliness, using mask, maintaining social distancing and getting vaccinated to keep them safe from covid-19. During the conversation, slum women and girls also explain their hardship, problems and needs. We also distributed the clothes, sarees, food items and toiletry kit to them. Near about 40-45 women and children were present for this program. This program was organised in collaboration with senior citizen group and IQAC of our college. Through this program the faculty members become sensitized about their social responsibility and helping the needy ones. The whole program was successfully conducted with the co-operation of senior citizen group, other faculty members and IQAC. Women and girls were found satisfied and happy during the interaction.

DEPARTMENTAL ACTIVITY 2021-22

Title Of Activity - "Skill development workshop for self employment " for rural women at Lalkhed on Dt.7April 2022

Objectives -

- 1) To impart skills to rural women.
- 2) To help rural women to use this skill for self employment purpose.
- 3) To inculcate the idea of earning money using own skills.

The Context - Lalkhed is a small village 20 km from Amravati where most of the population is of Banjara people (Schedule Tribe community). Most of the women in this village are not much educated, and do not have any source of personal income. Some of them were having small babies and thus unable to go out for earning purpose. Their family income also is not much high. So anything they can do within their house and making use of it for earning purpose is very much helpful for them..

Activity conducted- The village women have formed there "bachat gat." (Self help group)The women were asked to collect in the Anganwadi centre. The idea and objective of conducting this skill development workshop was well communicated to them. The demonstration of making some decorative articles such as Toran, Papers sticks, Flower pots, Decorative supari etc. using newspapers, coloured papers was presented before them. The women folks were asked to practice it themselves and the raw material required for it was also supplied to them. The women were also educated about fixing the sale price of the articles made by them and locating the opportunities to sell them. Mukta Rathod, Sarpanch Lalkhed helped us in arranging workshop.

Evidence of success -

- 1) All the women expressed their eagerness to learn the different articles.
- 2) They accepted the idea of using these skills for income generation purpose.
- 3) The idea of self employment was well inculcated in the minds of rural women.

Problems encountered -

- 1) Initially they were reluctant to accept this idea of becoming economically independent.
- 2) Young ladies with small children found it difficult to take out time from their daily household work.

The activity was successfully conducted under the guidance of Principal Dr. Smita Deshmukh and with the cooperation of staff members of the institute.

DEPARTMENTAL ACTIVITY 2021-22

Title of Activity - Demonstration of origami (paper folding technique) at Anganwadi centre for children (age group 3 to 6 years) .

Objectives- 1) To explore the creativity of children.

2) To enjoy the fun of converting a single sheet of paper into 3 D objects.

3) To help for the motor development of children by increasing patience and attention skills.

The Context – Origami is the art of paper folding. It helps children understand the importance of cooperative learning and explore the creativity fun. It helps the preschool children to improve the hand eye coordination. The children coming to the Anganwadi at Lalkhed are mostly from low economic group. Do not have toys to play with. So for these children , the simple techniques of origami can make them happy, can explore their creativity & enjoy the fun of making new things. & moreover it helps for the motor development of children.

Activity conducted- Demonstration of origami was arranged for preschool children at Anganwadi centre ,village- Lalkhed near Amravati. on 7/4/2022. Children between the age group of 3 to 6 years ,were taught to make some objects such as fish, boat, rabbi, dog, paper rangoli etc. just by using very simple paper folding technique. Attractive coloured papers were used for it. Then the students were also provided with the papers and were asked to make such objects themselves. Ms. Priti Rathod ,anganwadi incharge and Ms. Sushila Rathod - Anganwadi Sevika helped a lot in successfully conducting the demonstrations.

Evidence of success- 1) All the children were actually thrilled to learn the art of making different objects from paper.

2) They showed keen interest in learning these skills.

3) All of them were demanding more papers to practice for them.

Problems encountered - Initially some of the children were scared to come in front and practice the art.

The activity was successfully conducted under the guidance of Principal Dr. Smita Deshmukh and with the cooperation of staff members of the institute
