**Departmental Activity: "Teachers and non-teaching staff training workshop on
"Role of e- governance in Higher Education" on 19/01/2022**

Electronic Governance (e-Governance) is the use of Information and Communication Technologies (ICT) for the planning, implementation, and monitoring of government programs, projects, and activities. E-Governance is expected to help deliver cost-effective and easy-to-access citizen.

E-Governance helps in improving transparency, providing speedy information, dissemination, improving administrative efficiency and public services in all the aspects of education.

• **Role of e- governance in higher education :**

Rapid growth in the field of education has made e - governance in academic sector a very complex task. The 21st century has witnessed tremendous advancements in technology which has led to far-reaching developments in the administrative system. Cost-effective technology combined with the flexibility in learning and administrative activities is essential to enhance efficiency. Computers can be used extensively for educational administration.

There are some of the areas where computers can be used for effective educational administration.

- 1) General Administration
- 2) Pay Roll and Financial
- 3) Accounting
- 4) Administration of Student Data
- 5) Inventory Management
- 6) Personnel Records Maintenance
- 7) Library System

Information and Communication Technology (ICT) plays a vital role in supporting powerful, efficient management and administration in education sector. It is specified that technology can be used right from student administration to various resource administration in an education institution.

There are various administrative challenges for Indian education system of the 21st century as given below:

- 1) Global and local challenges.
- 2) Universal and individual challenges.
- 3) Competition and equity challenges.
- 4) Extraordinary expansion of knowledge

5) Moreover many studies revealed the need for ICT integration into administrative activities of higher education institutions.

The various ways of introducing technology in education institution administration are as follows:

- 1) Sending e-mail notices and agendas to staff, rather than printing and distributing them.
- 2) Submission of lesson plans through e-mail
- 3) Foster technology growth by asking parents to write e-mail addresses on medical forms.
- 4) Insist that all teachers create a class Web page
- 5) Attend technology conferences, what other teachers are doing to integrate technology to encourage the use of technology in classrooms.
- 6) Admissions through web-enabled services.
- 7) All day-to-day activities of the institution (General Administration)
- 8) Staff administration
- 9) Single Window System for students.

• **E-GOVERNANCE LEADS TO MULTIPLE ADVANTAGES TO HIGHER EDUCATION:**

- 1) It empowers students and parents to gather information regarding any course, college, department of universities, government policies and get involved in the process of decision making.
- 2) E-Governance strengthens the very fabric of democracy by ensuring greater student, staff and parent's participation at all levels of governance in universities and institutions.
- 3) E-Governance leads to automation of services, ensuring that information regarding every work of public welfare is easily available to all stakeholders apart from geographic and language barriers.
- 4) This revolutionizes the way governments and College/universities functioning, ensuring much more transparency in their functioning, and thereby eliminating corruption.
- 5) As the information regarding every activity of government is easily available, it would make every university department responsible as they know that every action of theirs is closely monitoring and audited.
- 6) Proper implementation of e-Governance practices make it possible for students and parents to get their work done online thereby sparing themselves of unnecessary hassles of traveling to the respective offices.
- 7) Successful implementation of e-Governance practices offer better delivery of services to students, improved interactions with business and industry, students empowerment, better management, greater convenience, revenue growth, cost reductions etc.

- Objectives of "Teachers and non-teaching staff training workshop on "Role of e- governance in Higher Education":

- 1) To save the time and money in the form of expenditure for hiring instructor, purchasing equipment or other resources.
- 2) To improve productivity, enhance focus and provide better academic results.
- 3) To provide speedy information in institute.
- 4) To improve administrative efficiency and public services in all the aspects of education.
- 5) To improve service delivery in the form of better access to information and quality service to college stake holders.

Workshop on IPR organised

■ Amravati Bureau
AMRAVATI, May 29

DAYLONG workshop was organised by Internal Quality Assurance Cell (IQAC) of Matoshree Vimalabai Deshmukh Mahavidyalaya, Amravati, run by Shri Shivaji Education Society, Amravati, in association with Rajiv Gandhi National Institute of Intellectual Property Management (RGNIIPM), Government of India, Nagpur on the topic Intellectual Property Rights (IPR)- Patents and Design Filing recently.

The main aim of the workshop was to encouraging knowledge sharing and raising IPR awareness among the faculty, students and scholars.

Pooja Vishal Maulikar, Examiner of Patents and Design (Group A Gazetted Officer) and faculty Drawing and Disbursing Officer and Central Public Information Officer RGNIIPM, Nagpur, was the key speaker.

Dr Smita Deshmukh, Principal Matoshree Vimalabai Deshmukh Mahavidyalaya, presided over the function. Dr

The workshop in progress.

Savita Dinkar Thakare coordinator IQAC and IPR workshop delivered the welcome address and introduced the guests.

Addressing the participants, Pooja Maulikar with the help of power point presentation threw light on different facets of IPR. She also discussed about patents, trademarks, copyright, protection of tangible and intangible property in detail.

She emphasized on why there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy.

During the interactive session participants enthusiastically participated and asked relevant questions. Dr Smita Deshmukh, in her presidential speech, stressed upon the importance of IPR in strengthening the growth of the nation.

Dr Chhaya Vidhale, member IQAC, proposed a vote of thanks. Snehal Vidhale handled the technical side efficiently. Large number of students, faculty members and non-teaching staff participated in the workshop. The certificate of participation were also issued by Indian patent office IPO later.
