Details of activities that inculcate Constitutional values

The life of student is not only about the grades and passing the examination. It is something different. Students who are socially aware realize that one of their prime responsibilities is to serve the society they are a part of. Hence sensitizing students about values, rights, duties and responsibilities of citizens empowers them with the knowledge they can use far beyond the classroom. It also creates a healthy campus culture. Various events are organized throughout the year to sensitize students towards their responsibility as citizens.

Preamble of constitution, 10 Commandments of Saint Gadge Baba is displayed in Principle's cabin and is clearly visible to all.

On every committee of college students' representatives are included to offer the opportunities to them to participate in college governance.

Programs are organized for students to sensitize them for their constitutional rights and duties. 26 November is celebrated as a **constitution day**. Reading of preamble is conducted on this day. National Day of Unity- Ekta diwas is celebrated on 31st October. On this day students and staff take the pledge to dedicate oneself to preserve the unity integrity and security of the nation which helps to imbibe the value of oneness among the students and mould the students into responsible citizens. **Human Rights Day** was observed on 10/12/2021 by arranging a lecture on Human Rights.

In the materialistic and technology driven society inculcating values become a challenging job. Faculty members of our institution arrange such activities for students to become compassionate and responsible citizen.

As a part of this a **visit to nearby tribal village Lalkhed**, Tq. & Dist. Amravati slum was arranged by the staff members, where Monetary help to a suicide affected farmers widow Shrimati Vandana Chavan was given with contribution of all staff members. The staff members also conducted several activities for rural women, anganwadi children and students of zilla Parishad school. The staff also paid a **visit to Matoshree Vrudhashram** and also gave them the monetary help.

A visit to Sadashanti Balgruha was conducted by NCC cadets on 28/12/2021.

All faculty members of our Institute **contribute for the Flag Day**

Blood donation activity is conducted regularly.

* Students are encouraged to participate in **tree plantation, pollution control activities, Swachha Bharat abhiyan**, which helps to create the environment consciousness and their responsibility to protect the environment. The idea and objective of conducting this skill development workshop was well communicated to them. The demonstration of making some decorative articles such as Toran, Papers sticks, Flower pots, Decorative supari etc. using newspapers, coloured papers was presented before them. The women folks were asked to practice it themselves and the raw material required for it was also supplied to them. The women were also educated about fixing the sale price of the articles made by them and locating the opportunities to sell them. Mukta Rathod, Sarpanch Lalkhed helped us in arranging workshop.
