Internal Quality Assurance Cell
- Institutional Distinctiveness -

Our institute Matoshree Vimalabai Deshmukh Mahavidyalaya, Amravati, comes under Shri Shivaji Education Society Amravati., which is a premier educational institution providing quality education since 1956. The college is trying hard to fulfill the aims and objectives of Dr. Panjabrao alias Bhausaheb Deshmukh, who established this society specially to quench the thirst of the neglected and downtrodden. And all this is clearly reflected in the vision of our institute.

“Vision of our institute is ‘Education to poor and deprived student for acquisition of knowledge towards excellence in every walk of life’”.

The institution focuses on the overall development and empowerment of the students moral, social, personal, intellectual, and professional abilities. The institute is committed to usher in socio economic transformation by providing inclusive, innovative quality education of global standards to fully meet the expectations of stakeholders initiated by the founders.

Objectives-

To lit the fire inside the students to fight against the evil things in the society through education as well as extension activities.

To motivate and encourage the students to face the challenges and cope up with the changing society of the world.

To create awareness among female students to face the challenges and keep up with the changing society of the world.

To create awareness among female student about the rights and legitimate place in society through Home Science education.

To accelerate the pace of personality development amongst the students through extracurricular activities.

To provide platform of sports and various cultural activities to utilize utmost potential of the students.

To create awareness among the students about the need of the environmental protection, sanitation, health and happiness.

To create dynamic, healthy and mentally tough students with professional approach to contribute to National welfare.

The institution always focuses on quality teaching learning experiences.

The primary focus of the institute is excellence in core mission i.e., activities of teaching. Every year students of B.Sc Home Science faculty have achieved new heights of success. All the faculty members strive hard to improve the academic, social, sports and entrepreneurial skills of our student. Students of N.S.S and N.C.C are active in order to imbibe strong social values in our students. The institute take conscious effort to create awareness about energy conservation and use of renewable energy sources.

Every year Nutrition week is celebrated in college. Various activities are arranged that ultimately serves the purpose of providing nutrition education and counseling to students taking care of their physical and mental health.

Institute take special efforts to strengthen the research aptitude among the faculty. As research is the basis of all inventions, college has been taking right initiatives to promote the research activities through 06 Research Centers. Research Centre in the subject English, Marathi, Hindi, Physics, Zoology and Food and Nutrition are sanctioned by the university.

Out of total number of students, the number of girls students is much higher than the boys. The management, teaching staff and supporting staff work in unity to achieve the objective of building a knowledgeable society.

All faculty members take special efforts for the students those who are academically weak. College admits them without any merit list and honestly workout on their improvement. Add on courses are conducted for students.

At our institute we give emphasis to the blend of knowledge, skills, competencies scientific temper, analytical ability, spirit of enquiry, communication skills, attitude and values ethics in curricular transactions and evaluations.

Institution offers undergraduate degree courses in B.A., B.Sc. (H.Sc.), B.Sc. (Science) and B.Com. in semester pattern.

For B. Sc. (H. Sc.) course mainly students from rural areas take admission. and overall percentage of pass students is 90 to 100. In the year 2021-22 Rajashri Gajbhiye of our institute stood third in the university merit list. The institute arranges various skill development workshops for students to learn specific skill which prepares them for their entrepreneurial purpose. “Udyojakata”- exhibition and sale activity of handmade articles of students was arranged, to provide platform to students to gain entrepreneurial experience and also to earn by selling their own articles. All these definitely takes them towards the path of becoming ‘Aatmanirbhar’, thus trying to fulfill one of the important objectives of NEP 2020.

The institute intends to mould the students to become socially responsible citizens by providing with all the possible opportunities through wide range of extension activities conducted by NSS and NCC. The sports department is also active in providing all opportunities to students.

In the materialistic and technology driven society inculcating values become a challenging job. **The distinctive feature** of our institute is the participation of students and staff in various extension activities. We work together for the betterment of community. Thus, we sensitize the students to develop social values, widespread their responsibilities and knowledge in social issues and problems by making them to involve with the community people.

During the year 2021-22 we have conducted several such activities. Few of them are-

- Visit to Lalkhed -

The college team paid empathetic visit to suicide affected farmer's family at Gram – Lalkhed- near Amravati (With Tribal population) on 7th April 2022. Financial help from staff members was given to the widow of suicide affected farmer. Also, all the members conducted several activities for school children at local Zilla Parishad school and for rural ladies, nursery school children at local Anganwadi centre.

- Visit to Vrudhhashram (Old age home) –

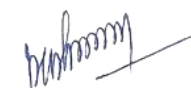

The college team also visited “Matoshree Vrudhhashram”, to interact with the members & to spend some time with these senior citizens. Donation was given to the Vrudhhashram by all staff members.

A look at such type of activities clearly indicates our institute is conscious over fulfilling our philanthropic responsibilities. We have taken initiative for the wellbeing of unprivileged or needy people who badly require our support to sustain themselves on this planet.

Encouraging the students and academic and administrative staff to provide social service to their local community develops a sense of civil citizenship and very proudly

we can say that our institution is working in the direction of fulfilling our social responsibility.
